Your success in the Red Dot Award: Product Design 2024

Dear Mr Abeyvickrama,

Congratulations on winning in the Red Dot Award: Product Design 2024!

Among the numerous submissions from companies and design studios from all over the world, the outstanding quality and design of your product convinced our international jury! We honour this great achievement with the Red Dot Winner Label and an exclusive presentation of your award in the Red Dot Design Yearbook and on our website as well as in our exhibitions.

Transform this design success into a communications success by taking advantage of the international recognition of the Red Dot Winner Label for your communication. True to the motto "Winning Is the Beginning", now is the right time to draw attention to the excellent design quality of your product – whether in press releases and brochures, at trade fairs and on websites, in stores and online shops or on social media.

Looking forward to the Red Dot Award Ceremony on 24 June 2024, it would be my sincere pleasure to celebrate your success at the Designers' Night in the Red Dot Design Museum in Essen!

Warm wishes,

Professor Dr. Peter Zec  
Founder and CEO of Red Dot
